

More from Metal.

Service windows

AMS GmbH is a provider of products and services in the field of metal engineering. As a privately owned, medium-sized company with more than 35 years of experience and expertise, we offer custommade solutions and products in metal to our customers.

Our products are divided into the following ranges:

- Metallic interior fittings
- Air-pipe systems
- Metallic façades
- Kitchen ventilation technology
- Service windows
- Industrial services
- Plant components
- Furnishings + objects of art

Service windows

Since the 1980s AMS has produced and installed thousands of service windows in fast-food restaurants, cash-desks, tollgates and porter's lodges.

The AMS solution of the service windows offers a great variety of flexible and individual adaptations to the wishes of the customers: Many different sizes, one-piece or two-piece laminated insulating glass, stainless steel cover plate with shiftable heating, proximity switch, air curtain heating, membrane keyboard etc.

The reliable support of more than 20 years experience of our skilled workers makes the AMS competence complete.
